LEADERS NETWORK

Invitations to join the Leaders Network will be extended to all those who attended the Retreat. We hope this will encourage continued collaboration, creative programmatic endeavors, and further mutual support in your continued radical self care as leaders.

Open Horizon will continue to coordinate optional coaching session opportunities for members of the Network. We will follow up in the fall with the process for those interested.

Sequenced virtual learning and professional development events will be offered to help you continue to grow and learn as a leader.

**Our first event will be a Mothers of Gynecology virtual tour on Tuesday, September 19th, 1-3pm ET (zoom).

LEADERS RETREAT 2024

We are excited to share that we will be hosting our second Leaders Retreat this coming January. Exact dates TBD.

- All 2023 Open Horizon Non-Profit Partners will be invited to send a leader.
- Organizations may send the same leader as last year, or someone new; We are designing this retreat to have some modified content and trust that returning leaders will continue to grow and benefit.
- We welcome you to return as the new leader you are evolving into this year or, if invited, send another representative of your organization.
